

## SPONSORSHIP FORM

# Jazz Roots in Five Points 2024

### EVENT OVERVIEW

The Welton Street corridor and the Five Points community has a unique and rich African American and jazz history. The Jazz Roots in Five Points is a celebration of Black History where we aim to honor the neighborhood's long standing history of jazz and black culture as it relates to American history at large.

Gain excellent visibility for your brand and support small businesses at the same time! Your sponsorship helps keep cultural events like this free and accessible to the public while supporting our goal of cultural preservation. Additionally you will be supporting a collection of small, independently owned businesses who are located within our historic district.
