Mr. Martinez then shared the list of dates for the 2<sup>nd</sup> Wednesday of every month, the current meeting cadence.

#### **B. Viva Streets Denver**

Mr. Martinez introduced Andrew Iltis, Vice President of Planning and Community Impact with the Downtown Denver Partnership. Mr. Iltis presented statistics concerning pedestrian and bicycle traffic, and how the pandemic impacted those numbers. He went on to describe Ciclovía, an idea popularized in Columbia and Mexico, where streets are closed to auto traffic in order to promote pedestrian and bicycle traffic on specific days of the year. He presented this as an opportunity to promote and benefit local businesses. He then introduced ¡Viva! Streets Denver, a free and open to the public event that he estimated could attract 100,000 participants. The proposed route of the event would connect and engage local ground-floor businesses, and educate on history, culture, and urbanism. He then went on to discuss specifics of the recurring event, including the route from Broadway and Alameda to Welton and Downing, a 3.5-mile corridor. He also discussed possible dates, ranging from May to August. Mr. Cowans thanked Mr. Iltis for his presentation, and Mr. Books suggests that it also be presented to the Marketing Committee.

#### **C. Stakeholder Meeting and Property Survey Discussion to Prioritize**

Mr. Cowans discussed feedback he has received from stakeholders noting the need for an open meeting to discuss priorities especially with the closing of several storefronts in the recent weeks and months.

Because of this rapid changing environment, Mr. Cowans noted that the BID Board needs to hear from the area businesses and property owners as to how priorities in business recruitment, neighborhood beautification, corridor marketing and activation, and security have shifted and determine how to best adjust the 2023 work plan to most efficiently and effectively meet constituents' concerns.

Mr. Books noted other ongoing issues the BID also needs to address with its limited resources. Mr. Cowans informed the audience that a meeting date and location is being worked out now and that the goal is to have a stakeholder input meeting before March. The FPBID will be sending out more information as the plans develop.

### **Old Business**

#### **A. Renewal of Maintenance Agreement with CSG**

Mr. Martinez explained that this will be the 2<sup>nd</sup> of 4 possible contract years in the annual amount of \$68,270. Mr. Cowans called for a motion to approve the contract renewal. Mr. Pirkopf motions to approve the contract renewal. Mr. Books seconded. Motion for renewal passed.

#### **B. Updates: Entry Signage, Xcel Banners, Historical Markers**

Mr. Martinez reported that his team and the designers of the entry sign (Desibl) have been working with the City's permitting office to meet requirements to place the entry sign at the Northeast corner of the intersection at 20<sup>th</sup> and Welton Street, the entry point to the Five Points BID Corridor. Desibl is working on updating specs and plans to submit to the permitting office for official review.

Mr. Martinez noted that the Xcel and the City have given preliminary approval to place banners on the 77 Xcel streetlight poles in the BID. While an initial mockup has been done, ZoZo Group will need to size and make actual docs for printing. They will also need to get pricing so that they can confirm they are still within budget and then move forward to order all hardware and banners and have CSG install.

Lastly, he reported that he will be connecting ZoZo Group with the original designer of the graphics of the historical markers and self-guided walking tour plaques so that the BID can have access to these files and reprint and replace as necessary since the BID has agreed to manage their upkeep.

### **MarCom Update**

#### **A. ZoZo Group Introduction and Role**

Ms. Sayer explained some immediate priorities of the group, including a new website, local media, and email logins and updates. She then discussed the upcoming activations and their importance in supporting local businesses and cultural preservation.

She then presented a few upcoming planned activations, including the Black Jazz History Experience, 2/18 and 2/25 during Black History Month, though a name change of this event is pending.

She then presented survey results, which indicated that the community is demanding things like live music, poetry slams, and community events like a scavenger hunt during Black History month. She also presented a proposed plan to provide for an outdoor speaker system, and requested BID funds.

## **Public Comments**
